Family Treatment Services Hourly Contract

This contract is between Dynamic Connections, LLC (Deb Berrang, M.Ed.),
 _____ (Parents' names), and
 _____ (Individual's name).

This is an hourly contract for Family Consultation Services with Dynamic Connections, LLC, and includes the following services and benefits:

- **Individual Family Needs Meeting** - As a team we will discuss priorities, concerns, and needs. (No charge for this initial meeting). Consultant will develop action plan. Plan will be sent to family. Family reviews plan. Consultant will answer any related questions. If the family wishes to begin working with Consultant, a time will be scheduled for the first session and family will receive intake paperwork.
- **Initial Intake Process** - Family receives, fills out and returns intake paperwork, which is reviewed by consultant. Family provides initial 5-10 minute baseline video of each participating parent interacting with the individual. Family is responsible for returning completed paperwork to consultant at least 3 days before first session.
- **Up to 4 consultation sessions a month**, including any combination of sessions with parents, sessions with individual, sessions with parents and individual, telephone/web sessions, video reviews with feedback, session preparation and follow-up, evaluation/testing sessions, and any other use of consultant time deemed appropriate by the consultant and parents.
- Services are billed on an hourly basis at a rate of \$90.00 an hour. Billed services include session time, preparation and follow-up time, and video review time. Any necessary assessments are billed on an hourly basis for both assessment and report/plan development.
- Clients receiving distance consultation are responsible for being prepared to receive the consultant's call at their scheduled appointment time.
